**ORGANISED BY :** ITL PUBLIC SCHOOL, DWARKA SECTOR - 9

**CONDUCTED BY :** ENVIRONMENT CLUB “ANTHELIA”

**PARTICIPANTS :** STUDENTS OF CLASS VI, VII, XII.

**DATE OF CONDUCTION:** APRIL 1, 2019

The new session in ITL PUBLIC SCHOOL started on a noble note with plantation of herbs in Sanjeevani Vatika, (the herbal garden within the school premises) on April 1, 2019. The event April Cool was a sincere effort by the members of Environment Council, ANTHELIA under the able guidance of the School Principal Ms Sudha Acharya. The event aimed at making a positive contribution towards environment making it pure, serene, green, cool and beautiful. The drive was a huge success. A group of 30 young planted around 40 saplings of herbal plants such as Parijat, Rose, Basil, Ashwagandha, Oregano, Celery, Wheat Grass, Peppermint etc. The students participated enthusiastically and gained an invaluable experience from this small drive and gained knowledge about the different species of plants and about the importance of plants and their impact on the environment. This small campaign sensitized the students regarding impact of increasing temperature on Earth.
