“The principle of true art is not to portray, but to evoke”- Jerzy Kosinski

The students of ITL Public School participated in the **Inter School Art Workshop and Exhibition** organized by **Nirmal Bhartiya Public School, Dwarka**. The purpose of works of art is to communicate ideas, to create a sense of aesthetics, to explore the nature of perception, for pleasure, or to generate strong emotions. The theme for the day was **Phata Poster Nikla Hero**. In an age where everything is scrutinized through the scientific lens, this art workshop provided the students with a new perspective of looking at the world. The students were divided in groups where Group A comprised of junior students (Mehul Das VIII B and Ulka Uchhaman VII E) and Group B comprised of senior students (Yashas Sahni XII F and Nilay Taneja X A). Both the pairs worked on different themes. Theme for the juniors was **Legends Never Die** and for seniors, it was **Anterman**. The themes depicted the problems that plague the world and how each one of us can contribute to come over them. The art works truly adduced the message that there lies a hero in each one of us.

The event gave the students a startling opportunity to bring forth the artist in them. The work of the students was displayed at the **Indira Gandhi National Gallery of Arts**, where eminent artists, Ms Anita Dube and Dr Manjri Thakoor graced the occasion.

It was a great learning experience for the students as they presented their work in an interactive session with the panel of jury members who appreciated and encouraged the budding artists.
