

## ITL Public School Organized Global University Fair 2019

<b>Name of the event</b>	:	Global University Fair 2019
<b>Date of the event</b>	:	7 August 2019
<b>Venue</b>	:	ITL Public School
<b>Organised by</b>	:	ICAE: International Centre for Advancement of Education
<b>Attended by</b>	:	Students of Classes XI and XII of ITL and 250 students from various school of Dwarka

**ITL Public School** hosted **Global University Fair 2019** on **7 August 2019**. The event was organized by **ICAE: International Centre for Advancement of Education**. ICAE brings Global Universities to the school campuses with the purpose of giving adequate knowledge to students to access the opportunities of higher education in India and abroad.

In the fair a team of officers and counsellors from **20 top renowned Foreign and Indian Universities** visited the school premises. The representatives interacted with the students and informed them about higher education opportunities available in their universities.

The event was attended by more than **250 students** of Senior Secondary Level from nearby schools of Dwarka. There was also the active participation of all the students of classes 11 & 12 of **ITL Public School**.

The students were greatly benefitted from the ICAE Global University Fair and learnt about the undergraduate education opportunities available in the universities and about the application processes, choice of programmes, scholarship options, eligibility requirements, fee structure, living expenses etc.

The Fair also allowed students to have a one-to-one counselling session by industry experts.

Some of the leading universities which were a part of the fair were **Queens University, Canada, University of Ottawa, Canada, MDIS (Singapore), St. George's University, Ashoka University, OP Jindal Global University, NIIT University, Pearl Academy, Trinity College, Dublin, Bennett University** etc.

The Fair was indeed a great learning experience as Entrepreneurship is one of the growing sectors and with the large youth population entering into the job market every year, it becomes imperative for our students to discuss and enhance employability skills.
