Date: 23rd August 2019

Venue: School Auditorium

“The purpose of life is not to be happy. It is to be useful, to be honorable, to be compassionate, to have it make some difference that you have lived and lived well.”

-Ralph Waldo Emerson

Keeping the above view in mind, **ITL Public School** inaugurated its first ever **Interact Club** under the aegis of **Rotary Club, Maurya**, which unites people and takes action to create a lasting change, in the lives of people, across the globe.

The programme commenced with a beautiful dance performance by **Vanshika Kukreti** of **Class XII**. She performed Kattuvam, a dance performed by the devadasis in the temples before the lord's procession followed by Shivananda Tandav, with the verses of Indian philosopher Adi Shankaracharya. The council members of the newly formed Interact Club were graced by badges of honour. They pledged to follow the Rotary Club's '**Service Before Self**' motto and do their bit to give back to the society. It was followed by a **Nukkad Natak** by the students of **Class XI** which emphasized upon the importance of mental, physical and social well-being.

The School Principal **Ms. Sudha Acharya** congratulated all the council members and inspired them to imbibe the virtues of a true leader, empathy and giving back to society. The ceremony was solemnized with the administering of oath and presentation of the charter of the Rotary Club under the guidance of **Mr. Neeraj Gupta**, President, Rotary Club, Delhi, Maurya and **Ms. Amita Mahendru**, President, Rotary Club, Delhi City.

It was a significant and momentous day, the realization of one of the many spectrums of a larger vision, providing an excellent platform to the newly elected council of Interact Club to be prepared to don the mantle of leadership and discharge the responsibilities entrusted upon them by the school and Rotary Club.
