

## Workshop on Culinary and Personality Grooming

**Day/Date:** Tuesday/ 5th November 2019

**Event:** Workshop on Culinary and Personality Grooming

**Conducted by:** Indian School of Hospitality, Gurugram.

ITL Public School ensures that the students get exposure to not only conventional careers like engineering, medical sciences etc but also assures that the students are fully aware and have accessibility of information to unconventional careers like hospitality industry, theatre, visual arts, fashion designing etc.

On 5 November 2019, a workshop on Culinary Arts at The Indian School of Hospitality, Gurugram was organized which provided theoretical and practical knowledge on various programs such as Culinary Arts and Hospitality Management. Students were given a personalized hand on fun learning experience on basic dining etiquettes and culinary art which was followed by a motivating interactive session with the First-year students of IHS. Chief Operating Officer Mr Kunal Vasudeva and Director, Admissions Ms Sweety Burrows motivated the students to evolve in better and brighter Way.

It was an enriching experience for the Itleens as they could understand that management degree in Culinary Arts and Hospitality.

The workshop also helped to develop skills and knowledge on human resource management and meet the industry parameters to become the future leaders in the industry.
