

## **Report on Accountancy Expert Session**

**Day/Date** : Monday, 2 December 2019  
**Venue** : Language Lab  
**Conducted By** : Dr. Vikas Vijay  
**Organised By** : Commerce Department  
**Attended By** : Students of Classes XII D and E

An Accountancy Expert Session was organized for the Commerce stream students of Class XII by **Dr Vikas Vijay** - an eminent author, speaker, entrepreneur and motivator. The resource person is a Certified NLP Master Trainer and a Life Coach trained by Tony Robbin.

The **Peak Performance workshop** provided a wonderful opportunity to the students to understand and delve deeper into the specifics of the subject accountancy. The session commenced with a **deep analysis of the blueprint and sample papers** to familiarise students with the new pattern of the Board examination and how to optimally utilise the time period for maximum result. It was followed by an assessment of the students' aptitude for the subject with a multitude of objective type questions.

Further, a quick review of Company Accounts with numerous techniques to thoroughly understand the concepts were scrutinised. The underlying aim of the workshop was to **stimulate and inspire students** to maximise their potential, highlight the role of concentrating on the task one is entrusted with, and master the strategies to compete in the forthcoming board exams.

Many ideas that were discussed during the workshop were very logical and straightforward which profited all the participants enormously.

This insightful session will surely enable all the commerce students to come out with flying colours in Board Exams.
