

## **REPORT on Special Session on Cyber Security**

<b>Date</b>	-	11-13 May, 2020
<b>Conducted by</b>	-	District Legal Services Authority
<b>Attended by</b>	-	Students of XI-XII

Keeping in mind the recent incidents of 'Bois Locker Room' and Gurugram suicide incident, ITL Public school got a remarkable session organized by the **District Legal Services Authority** for the students of classes XI-XII on the topic awareness regarding **Cyber Security**.

The session was enlightening and focused primarily on **Information Technology Act and cyber-crime clauses under POCSO Act** and threw light on the need to be extra vigilant while using social media and ways to be a responsible and digitally smart user. The session was spread over three days and it witnessed a very informational question answer session on respective days. It also enlightened the ITLeens about some various threats on social media and was significant for the students to learn how to stay safe while using social media.
