

REPORT ON MOTHER'S DAY ACTIVITY

Theme: Mother's Day

Date: 10 May'20

Class: I -V

Motherhood: All love begins and ends there.

Mothers are precious gifts from God. Without mothers, life would certainly be dark and gloomy. A Mother is certainly the most important human being in everyone's life. Mother's love for her child cannot be compared with anything. They certainly play a very important role in the upbringing of a child. Despite the lockdown and all other restrictions around, little ITLeens could still make their mom feel special this Mother's Day, the day that recognizes the essence of a mother was celebrated in high spirits and merriment. This being one of those occasions that none of us can afford to miss was zealously enjoyed by one and all.

Keeping this bonding emotion in mind, primary students recited heart touching poems to mark the occasion. Teachers made an earnest effort to instill the importance of mother in a child's life through effective thematic presentations, moral stories and video clippings.

Heart-warming feelings filled the air with intimacy, gratitude, appreciation and acknowledgement- the little ones proudly echoed and enchanted the quote- "Mother will be our door to Paradise so, let's love, respect and care for our mother everyday".

Mother's Day is a special day to reflect on how our mothers inspire us to take action every single day. To mark this special day on 10th May, 2020 the students of **Class-IV** performed fun- filled activities as a wonderful gesture to express their love and affection for their mothers. The students were demonstrated multiple activities using flowers by their respective science teachers during online sessions. They were guided to choose any one of them and present it as a gift to their mothers. The children were taught to prepare perfume using flower petals, skin moisturizer using rose water and glycerine. They were also demonstrated appropriate method of drying flowers and were motivated to prepare lovely greeting cards for their mothers. Children were excited to gift their own creation as a token of appreciation to their mothers. They shared their videos with the teachers expressing their love and gratitude for mothers. The mothers were overwhelmed and shared their happiness with their beloved child. The activities surely strengthened the bond of love between mothers and children.
