“Health is more than the absence of disease. Health is about jobs and employment, education, the environment, and all of those things that go into making us healthy.”

- Joycelyn Elders

ITL Public School in order to **spread awareness** about the **impact and implications of COVID- 19** on human life, environment and economy, organized an Online Digital Poster Making Competition ***VIRAEMIA*** for classes **IX and X**.

The activity aimed at engaging the students in **skillful learning through the medium of art**. The students exhibited creativity and concern towards the trying times through their electronically designed posters. They participated with great enthusiasm and the following came as the winners of the competition:

1st - Samyak Jain XA
 2nd -Soham Minhas IXB
 3rd -Medha Sinha XE
 Consolation-Hardik Nigam XB

Overall it was a great learning experience for all participants as they were able to gauge the intensity of the pandemic as well as sensitise themselves towards healthy living.
