

Report on Webinar- Careers after XII

Day& Date: Saturday, 22 August 2020

Conducted by: NIE in collaboration with IMS

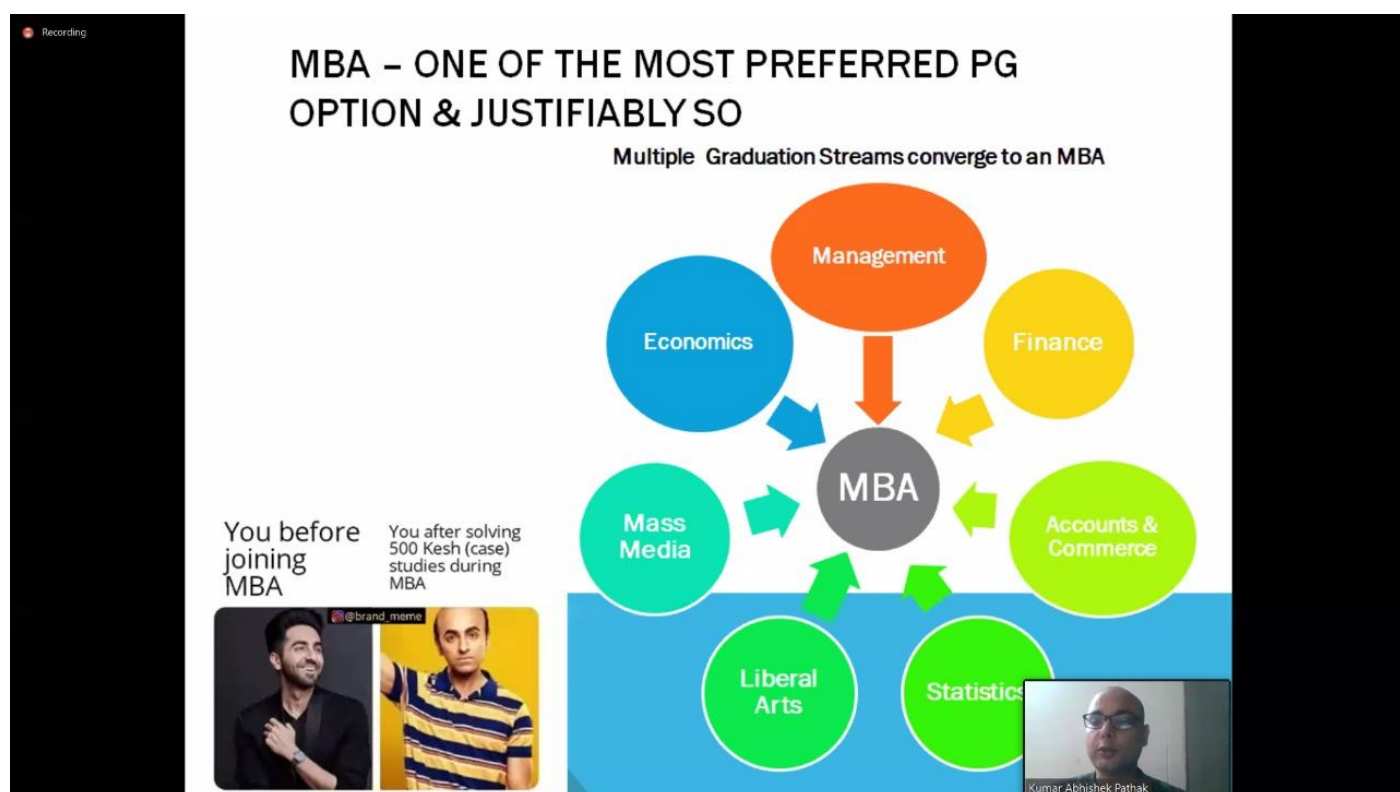

Attended by: Students of Class XII, ITL Public School

Career choice - one of the most important milestones in an individual's life involves *self-analysis, critical thinking and finally, decision making*. Today, students are faced with numerous options and several courses, all of which look almost equally lucrative and interesting. It's important to ensure that whatever course they pick is in sync with their passion and personal career interests.

To eliminate the dilemma about which college and course to choose from the wide array of courses available, **NIE** in collaboration with **IMS** conducted an online workshop for the students of **class XII** of **ITL Public School** on **Saturday, 22 August 2020**.

The resource person, **Mr. Kumar Abhishek Pathak** disseminated very useful information regarding different *career options, the eligibility criteria, the premier institutions/universities, and other criteria of selection and the market demands*, which the students should know, their keeping their abilities, interests, aptitudes and personality in mind.

The list of courses and colleges and thorough questionnaire round at the end will surely aid the students introspect and analyse the required abilities to be successful, happy and content in the course/career they choose.
