

ITL ORGANIZES INTERNATIONAL CAREER COLLEGE AND COUNSELLING FAIR

Date: 26 August, 2020

Conducted By: IC3

Attended By: Students of XI- XII

ITL Public school organized **Live Virtual International Career and College Counselling (IC3) Fair and Symposium** on 26th August 2020 for the students of classes **XI and XII**. Representatives from multiple universities across the globe converged on one platform to help students plan and choose the path for higher education. Prestigious universities from multiple countries such as the **US, UK, Switzerland, Australia and India** participated in the event to give a true picture of the higher education scenario at the global level.

Various well- known universities, recognised for their diverse programmes participated in the fair such as **Concordia University, Carleton College, Full Sail University with its Game Development and Cyber Security programmes, Michigan State University with its Mechanical Engineering and Psychology programmes, NYU Shanghai with its Business programme** to name a few. The students put across their queries to the representatives who tried their best to answer them satisfactorily. Every aspect of a university ranging from **admission criteria, courses offered and campus details** was elaborated upon.

Furthermore, concerns regarding admission procedure during the pandemic were also addressed. The representatives provided links to their university websites and brochures to furnish the students with more information. This was followed up with a presentation which included information about various **courses, scholarship programmes, university infrastructure, culture** etc. In addition, the virtual lobby had multiple IC3 resource rooms which were platforms of active discussion on various topics such as **The Future of Liberal Arts Education and Careers, Exploring Career Pathways Through Internship Experiences, How Are Universities Caring for Students During the Covid-19 Era?** etc.

The event organized with the aim to empower students succeeded in providing them with much needed information and helping them flesh out their higher education plans.

class requirements for computer sciences? 12:40 PM

So considering the current situation of Hong Kong and its current relation with mainland China and the declining "One Country, Two Systems" policy, is it good to study in HKQAR? 12:40 PM
