

## REPORT

### Teachers Day Celebration 2020

Date: 4 September 2020 (Friday)

Platform: Microsoft Teams

Time-9 am

**“It is the supreme art of the teacher to awaken joy in creative expression and knowledge.**

Teachers' Day was celebrated virtually this year amid the Covid-19 pandemic restrictions, but this didn't dampen the enthusiasm among the students despite various limitations. The students of the **Primary Wing** of **ITL Public School** celebrated this day with great gusto and gaiety. They performed a scintillating cultural online show to showcase their love, respect and recognition of the hard work put in by the teachers towards their development. The online programme incorporated poems, songs, dance and drama. The students made use of the technology to celebrate the Teacher's Day and appreciate the efforts of their teachers virtually. An online programme was arranged by the students for their teachers. The students not only thanked their mentors for their dedication and hard work but also for stepping up in this difficult time, leaving their inhibitions behind and for conducting the various classes with zeal, courage and resilience. The students also sent PPTs, E-cards and videos for their mentors. The students surprised them with their sweet gesture of preparing individual videos for their mentors. All the teachers enjoyed and appreciated the programme and blessed them for their bright future.
