Theme-Grandparent's Day

Date- 11th September 2020, Friday

Venue- Online Live Session

Conducted by- Class I & II

A grand parent's love never grows old

Grandparents are a family's greatest treasure. The greatest storyteller. The founders of the tradition of the family. The Grandparent's Day 2020 was celebrated on Sunday, 13th September 2020 in India.

The parents and teachers of Classes I&II of ITL Public School celebrated this day with great zeal on Friday, 11th September 2020.

The day began by honoring all the grandparents present in the virtual classroom. Children expressed their gratitude towards the constant love, care and support extended by them. Grandparents were welcomed by the little ITLeens.

They shared the beautiful memories from their childhood days to enlighten the little hearts for a better life. Children presented self-made cards to them.

To make the session more interactive various fun games were organized for the grandparents. They played Tambola and were guided by their little grandchildren in the game.

To culminate the event 'Guess the lyrics and Sing a song' gave the grandparents an opportunity to showcase their talent in singing. They actively participated and melodiously sang the songs, bhajans etc.

The students thanked the grandparents for their countless love, care, blessings and sacrifices which they constantly shower on them.
