

Indian Air Force Day

The Indian Air Force also known as the 'Bhartiya Vayu Sena' is the air arm of the Indian Armed Forces. Officially established on 8 **October** 1932, the day is celebrated every year, with great pride, enthusiasm and fervour, to mark its birth and to raise awareness, both officially and publicly, about its responsibility of securing the Indian airspace and conducting aerial warfare during armed conflicts .

As India proudly celebrates the 88th anniversary of the Indian Air Force on October 8, 2020, ITL Public School thanks all the air warriors for protecting the skies like guardian to helping in harsh problems like Devdoot, *who kept the faith and fought the fight; the glory theirs, the duty ours.*

We feel proud to have you as Our Saviours of the Air. Wishing You All a Very Happy Indian Airforce Day!!
