**Conducted By** : ISBF

**Attended By** : Classes XI-XII

**Topic** : Simulation Stock Trading Game and Career Options in Economics, Finance and Management

*Bull markets are born on pessimism, grow on skepticism, mature on optimism and die of euphoria.”*  
– John Templeton

*The Playnomics Workshop (Bulls and Bears)* with Indian School of Business and Finance (ISBF) in collaboration with London School of Economics (LSE) was conducted for students of XI and XII. Around 120 students participated in an interactive stock market gamified controlled simulation which provided the students with robust insights into the complex working of stock markets and demand - supply dynamics.

The workshop also included an informative Orientation Session by the faculty members of ISBF on careers in Management, Finance and Economics.
