

ITL Public School observed Human Rights Day

Date: 10th December 2020

Human Rights Day is celebrated on 10 December every year across the world. It commemorates the day, when the United Nations General Assembly adopted the Universal Declaration of Human Rights (UDHR) in 1948. The UDHR is a milestone document that proclaims the inalienable rights, to which everyone is entitled as a human being - regardless of race, colour, religion, sex, language, political or other opinion, national or social origin, property, birth or other status. Human Rights Day was formally established on December 4, 1950.

To mark the day, ITLeens published an insightful e-magazine which comprised of plethora of activities conducted for each class from Candy floss to Senior Wing.

The E-Magazine presented articles by students highlighting the Sustainable Development Goals - Zero hunger, Proper Sanitation, Food Security, re-iterating the need for basic resources for mankind.
