

Report on Women's Equality Day

Name of the Event: Women's Equality Day

Date: 26 August 2020

Organised by: Department of Social Science

Attended by: Students of ITL Public School

Women's Equality Day has been designed to commemorate the Nineteenth Amendment being adopted in the 1920s in the United States. This act stopped the federal government and states from preventing the people to vote based on their sex.

ITL Public school celebrated the **Women Equality Day** on 26 August by showcasing the contribution of women like Sakuntala Devi, Gunjan Sexena, who inspired the women immensely to empower themselves to earn equal respect in the society. Students also put forward their views to highlight the significance of women empowerment and focussed on how women today are now taking education, going for jobs and excelling in different fields.

The session with the students proved to be extremely enriching as the students gave their valuable insight on the topic.
