“Peace on Earth will come to stay, when we live Christmas every day.”

Christmas is celebrated all over the world on 25th December every year. This festival inspires the spirit of sharing and caring for one and all.

On 24th December 2020, the students of Classes 1 to V of ITL Public School had celebrated Christmas virtually with great fun and frolic. The essence of Christmas came alive when the students and teachers from candy floss to senior wing got together virtually and shared the merriment with their students. The celebrations began with junior wing where they have showcased the nativity play and shared the significance of the festival. Students of classes 6th to 9th gave a tremendous speech on how Christmas can be celebrated and the significance in one's life.

To inculcate the spirit of sharing and caring, students were asked to make and give a Thank you card for their family members on Christmas Eve. Students hummed the melodious carols and danced beautifully to wish 'Merry Christmas' to their teachers and classmates.

They played various fun filled games online like creating rainbow with gems, memo kids, Christmas Bingo etc. As a part of Christmas celebrations the students showcased their creativity by crafting a Christmas tree, Santa Face and Snow Man during their art and craft session.

It was a fun filled day. The boundless joy of celebrating the festival was visible on the faces of all the children. Such celebrations bring happiness and togetherness among the students and also inculcate the spirit of sharing and giving in them.
