Mr. Anurag Goswami

### Workshop on Skills for Success in Post-COVID World

**Name of the Event;**

**Date:** 24 December, 2020

**Organized by:** Times NIE in collaboration with The Bennet University

**Attended by:** Students and Teachers of Classes XI and XII

An informative webinar was organised on **24 December 2020** by **Times NIE in collaboration with The Bennet University** on the topic "**Skills for Success in Post-COVID World**" for the students of **Classes XI and XII of ITL Public School**

The resource person for the event was **Mr. Anurag Goswami**. The elucidative session started with the introduction on the new ways of life that need to be adopted in the **New Normal** in the post covid world. He acquainted the participants with the art of fostering new skills and becoming professionals in their respective fields. He reflected his profound knowledge on the topic and emphasized on Communication Skills, Team work, collaboration and flexibility highlighting the significance of different skills for getting a scholarship and admission in the universities

An exalting explanation on what The Bennet University offers to their students was presented. Mr Goswami enlightened about the various societies and clubs of The Bennet University which nurtures talent and skills of students and enhances their confidence .Some of these appealing clubs are Silhouette Club, Virtuoso Club, Astronomy Club and Robotics Club. It was followed by the question answer round where he addressed all the questions posted by the attendees.

An interactive concourse ignited the inquisitiveness of participants. The event helped a lot in getting a very true image of what the future scope will be for the students.

## University- Your Stepping stone to next 40 years

- World Class & Highly Qualified Faculty from reputed Institutes
- Programs that cater to Industry requirements of Today and Future
- Not just Theoretical knowledge - in-depth practical skills and learning
- Prepare you for Jobs that may not be there today – But are Jobs of Future
- Strong online and physical infrastructure – Blended learning is future
