

## LOHRI CELEBRATION

**DAY/DATE: 13 January 2021**

**Classes involved: I-V**

**TIME: 1 pm**

*'You must give to get, you must sow the seed, before you can reap the harvest.'*

Lohri, the festival which ushers in the joyous spring and bids adieu to the harsh winter, was celebrated with exuberance and fanfare on 13th January'21 in ITL Public School. A special online session was organised by the respective class teachers for the Lohri celebration. The teachers discussed the significance of the festival with their classes.

Everyone's mood was upbeat and they actively immersed in the festive spirit.

On this occasion, both children and teachers dressed up in their traditional attires and joyfully welcomed the first festival of the new year. No celebration is complete without music and dance, folk songs were played and soon everybody joined in the energetic rhythm! Our festivals are a true mosaic of our festive spirit, children encapsulated the spirit of Lohri with peanuts, popcorn and gajak on their platter and munched on them. Parents also joined in the celebration and sang some melodious songs submerged in the rich cultural folklore of Punjab. In the end, everyone wished each other and prayed for a better tomorrow.
