

Road Safety Week

Date : 11 January 2021- 17 January 2021
Venue : ITL Public School
Classes involved : I-V

“Safety is the key, it is up to you and me.”

Road Safety Week was observed at ITL Public School from **11th January to 17th January, 2021** to make the students aware about the importance of Road Safety. Road safety education plays an important role in shaping the attitude and behaviour of children and young people – ensuring they become responsible drivers, passengers, pedestrians and cyclists. As the old saying goes, “You are never too young to learn.” The week long celebration at the grass root level creating new awareness about the part that school children can play in making our roads safer and hereby preventing road accidents.

Students of Class I- III did an activity on road safety. Using flash cards and modules the concept of traffic signs was explained to them. The students drew road signs on a sheet and also explained what each sign symbolizes

Students of Class IV wrote the slogans on road safety. Class V students actively participated in Road Safety Week Activity—**Safe Yourself to Save Your Family**. This activity included students describing, practising and reviewing safety procedures they undertake. Through these activities students became more aware of the measures to be kept in mind while on the road. Students were able to understand different perspectives about rights, rules and responsibilities in relation to road safety through this activity.
