

INTERNATIONAL CAREER COLLEGE AND COUNSELLING FAIR

Date: 8 April 2021

Conducted By: IC3

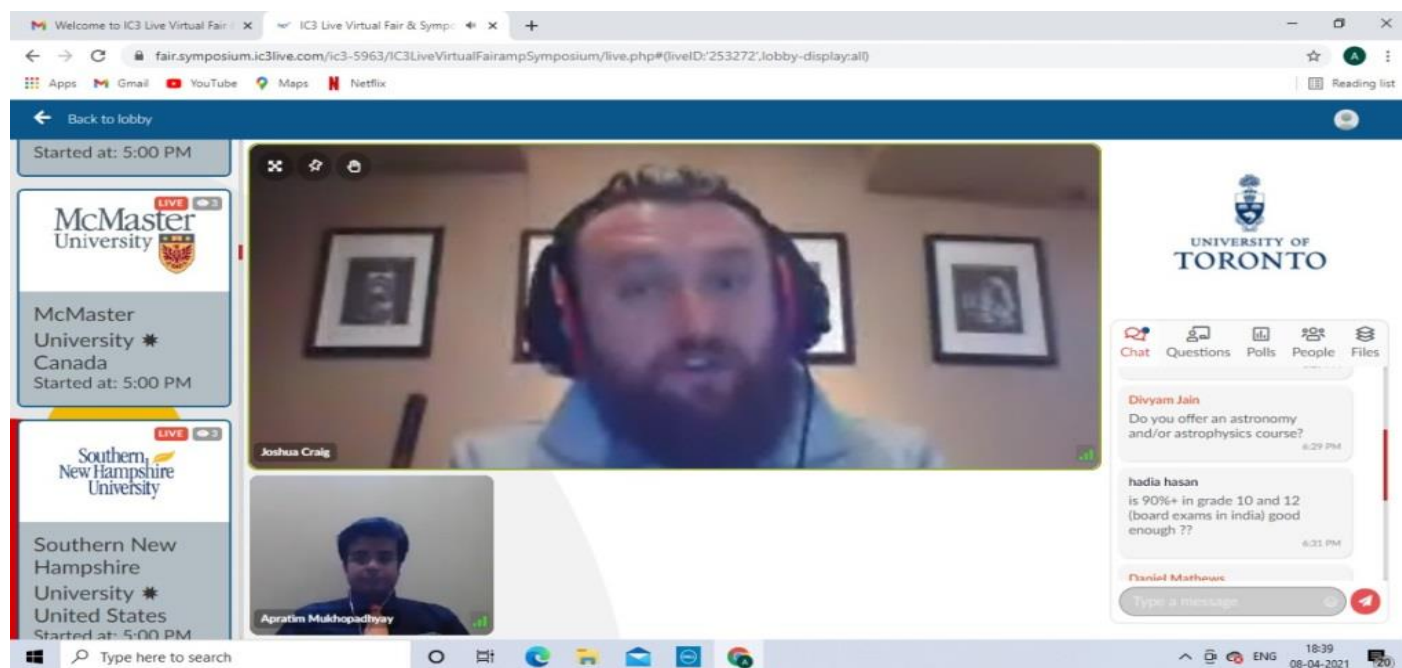

Attended By: Students of Class XII

ITL Public school organized a **Live Virtual International Career and College Counselling (IC3) Fair and Symposium** on 8 April 2021 for the students of class **XII**. Representatives from numerous prestigious universities across the globe came together on one platform to help students plan and choose the path for higher education. Universities from various countries like **US, UK, Japan and Australia** participated in the event. This helped students understand the fundamentals of the higher education at the global level.

Various well-known universities, recognised for their diverse programmes participated in the fair such as **Imperial College of London, The University of Sydney, The University of Newcastle, University of Cambridge, Tokyo International University** to name a few. The students were zealous to ask put forth their queries to the representatives who answered all of them in a competent manner. Every aspect of a university ranging from **admission criteria, courses offered and campus details** was elaborated upon.

Furthermore, the representatives provided links to their university websites and brochures to furnish the students with detailed information. This was followed up with a presentation which included information about various **courses, scholarship programmes, university infrastructure, culture** etc. In addition, the virtual lobby had multiple IC3 resource rooms where different panels of students were engaged to discuss topics like **Practical Learning through Internships and Experiential Education, Remaining Purposeful and Focused Through the Covid Era** etc

The event was organized with the aim to empower students and make them ready for the future. It succeeded in providing them with much needed information and helping them trace their higher education plans.
