

ITL Organizes Orientation Session for Class-XI (2021-22)

ITL Public School organized **Orientation Session for Class XI 2021-22** on **26 April 26, 2021**. At this unprecedented time the need of the hour is to be connected with the students, so the new session started with the mission to remain in touch with them, to engage them in joyful and meaningful interactions and to organize a plethora of joyful learning activities, far away from stereo typed academic sessions that will keep the students happily engaged.

The Principal **Dr Sudha Acharya** cordially welcomed the students motivating students always to keep the spirits high inspiring them to nurture positive virtues guiding them how to stride through the trying times nonchalantly. **Dr Vandana Mishra, the School Counsellor** addressed the students on the great power of the mind. The **PTA Body Members Mrs Ishita Behel and Dr Mukesh Verma** addressed the students focussing on ways to consolidate one's personality by building up courage and resilience warding off inhibition and adopting best measures to achieve success.

The **ITL fraternity** always boasts of the **ITL Alumni** who have a passionate involvement with the School So on the very first day of the session the exceptional **X ITLeens Yash Bhatia ,the Head Boy of the session 2017-18 and Rudraksh Sharma, Vice Head Boy 2019-20 batch** addressed the students expressing how their journey in school have made them what they are . **Simran Jangra and Raghav Popli as representatives of Class XI students** expressed their feelings on the first day of **Class XI**.

The session ended on a positive note with the belief that in this challenging period only a calm and poised attitude and an optimistic approach can aid all to sail through in a stable and steady manner.
