

ITL Observes World Heritage Day

Date: 18 April 2021

Organized by: Department of Social Science

“People's relationship to their heritage is the same as the relationship of a child to its mother.”

- John Henrik Clarke

World Heritage Day is celebrated every year on 18th April, to spread awareness about the profound cultural heritage of various communities of the world.

ITL Public School observed the World Heritage Day by organizing a plethora of activities. The theme for this year for World Heritage Day was Complex Pasts: Diverse Futures, which implies the acceptance of cultural challenges in the past but with the will to look beyond them and envision the dream of solidarity. An assembly was organized for the students of Classes I to VIII, teaching the young ones, ways to Protect, Accept and Respect their traditional wealth. In the age of digital and online learning, the celebration of this day could not be complete without a video by the young ITLeens who expressed their passion for their culture by compiling a video. Classes IX-XII showcased the Heritage Quiz which was attended by Principal, ITL Public School, Dr. Sudha Acharya and the guest for the day, Ms. Manisha Seewal who is an alumnus of St. Stephens, New Delhi, with a graduate degree in History Honours. She inspired the students to reach out for their aspirations and said that in this journey, they should always be proud ambassadors of their motherland.

The senior students under the guidance of the teachers of the Department of Social Science created a stupendous E Heritage Gallery. The E Gallery was an aesthetic amalgam of the various heritage related works of students from class VI-XII (<https://youtu.be/h5bPyQhltGU->)

We, at ITL, are and will always, be a part of this vision which upholds the value of Heritage.
