“Your photography is a record of your living, for anyone who really sees.”
– Paul Strand

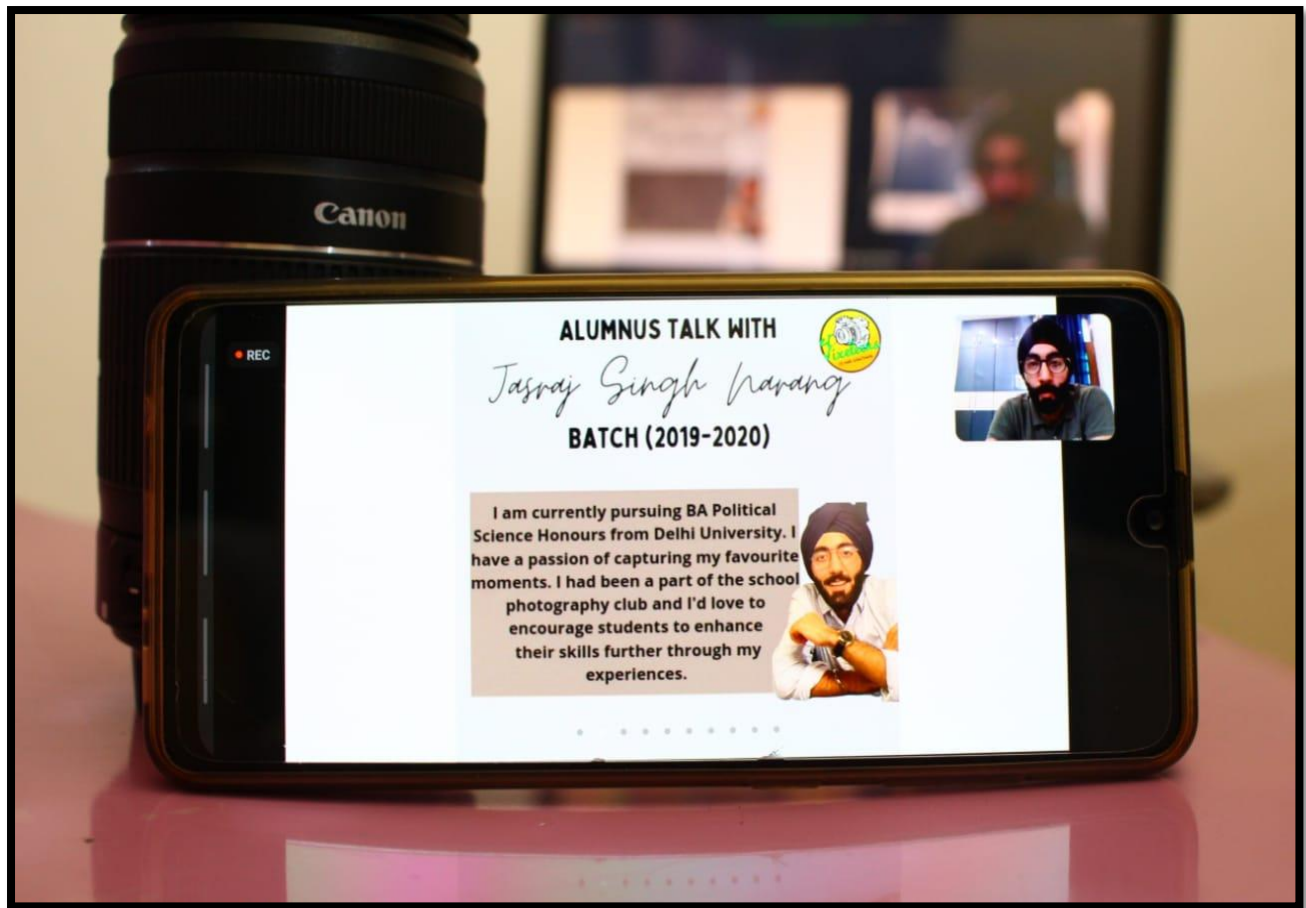

The students of class IX to XII of ITL PUBLIC SCHOOL took part in the two day online workshop organised by the school photography club- **PIXELEENS** on **6th May 2021** and **7th May 2021**.

The event was divided into two days, 6th May and 7th May. On the first day the workshop on **BASICS OF MOBILE PHOTOGRAPHY** was conducted by **Aayush Gupta**. Basic camera modes and settings were discussed such as rule of third, leading lines, ISO, shutter speed etc. The good use of editing was also discussed in the event.

Second day was used for the workshop for **BASICS OF FILMMAKING** by **Surya Jain**. The session talked about filmmaking process which included pre-production, production and post-production. Tips and tricks related to basic phone videography covering topics like camera angles, camera movements and special effects were discussed. A **brief talk by ITL Alumni- Lokesh Singh Chauhan and Jasraj Singh Narang**, encouraged the students for Photography and helped widen their perspective towards future aspects of the stream.

The main objective of the two-day workshop was to inspire students interested in photography or videography to take the next step towards their interests. The sessions sparked a new interest in students towards the *scope in Photography or Filmmaking as a career*.
