"When you look into your mother's eyes, you know that is the purest love you can find on this earth."

- Mitch Albom

Mother's Day is a celebration honouring the mother, as well as motherhood, maternal bond and influence of mothers towards the society. To show the love and respect to their mothers, the young, enthusiastic and adorable ITLeens of Primary wing celebrated this most special day with lots of fun activities and some memorable performances.

The moms as well as the students had a splendid time together in various fun games planned by the teachers of classes I-II.

Class I students were given an opportunity to show their love and gratitude for their mothers, by making a card for their mother on Mother's Day.

Students of **class II** made Tiara for their mothers.

The enthusiastic mothers of **class III** students participated whole heartedly in an online presentation by them.

In gratitude for her nurturing and power of love, students of **Class IV** created innovative DIY gift for their mothers like bangle / dangler stand, flower crafts, greeting cards in their online session.

Students of **Class V** compiled an album of their mother creatively. It included photographs, likes and dislikes of their mother in food, clothes, places and her talents etc.

ITLeens made expressive videos. They expressed their love for their mother and valued her presence.
