

Student Empowerment Campaign for Bullying Free Schools

Date: 10th October, 2014

Venue: Multifunctional Hall, India International Centre

Organized By: NPSC, CBSE, Expressions India, AISCAP

Attended by: Class XI

3 students of class 11 were given the opportunity to take part in a **Students Empowerment Campaign for Bullying Free Schools** on the occasion of **World Mental Health Day**. The event was presided by **Dr. Kavita Sharma, Director India International Centre**. Mrs. Ameeta Mulla Wattal, Chairperson NPSC, Dr. Jitendra Nagpal, Program Director Expressions India, were also present along with other eminent personalities from the field of Education. Various expressions on the topic were expressed by distinguished speakers who put forward their thoughts and opinions on Bullying and being bullied. It started out with a thrilling interaction towards creating a protective environment for all. Students realized that bullying is a widespread problem in schools, communities, and home settings. Everyone took a pledge to stop bullying and take an initiative to put an end to social hatred.

There were 3 events in which the students participated - Declamation, Poster Presentation and Role Play.

The themes for all three revolved around the general idea of bullying and its various forms.

The whole experience was very impactful and everyone was motivated to take forward the initiative to build a healthy and bully-free environment.
