

Let's Talk Sociology

An interactive Session on Sociology with Dr Mahima Varma

Date : 13 May 2021
Conducted By : ITL Public School- Department of Sociology
Attended By : Students of Sociology of XI & XII

ITL Public School organised an interactive session- Let's Talk Sociology with Dr. Mahima Varma, Associate Professor (JMC), Delhi University on Thursday, 13 May 2021. The session began with a warm welcome extended by the students to Dr. Varma. During the session, Dr. Mahima focused on a multitude of topics such as: Emergence of Sociology, Nature and Scope of the discipline of Sociology, subject matter of Sociology, The rules of Sociological method as well as careers in Sociology. Students were able to understand various topics which were taught in an easy and engaging manner.

Towards the end of the session, students put forward their queries which were answered satisfactorily. The session came to an end with a vote of thanks in which the student representative expressed their sincere gratitude to Dr. Varma for such an interactive session and enlightening the students.

♦ **Sociological questions:**

- Intended and unintended consequences
- Comparative questions
- development questions
- factual/ theoretical questions.

♦ Sociology studies everyday life, but **sociology is not common sense**

Common sense	Sociology
• Individual perspective	• community and society
• Biased, rumor, assumption	• scientific
• Specific to time, society and person	• General social laws

Eg- staying indoors during the pandemic
