

Interactive Session on Development of Entrepreneurial Skills in Youth

Date : June 1, 2021

Organised By : Commerce Department

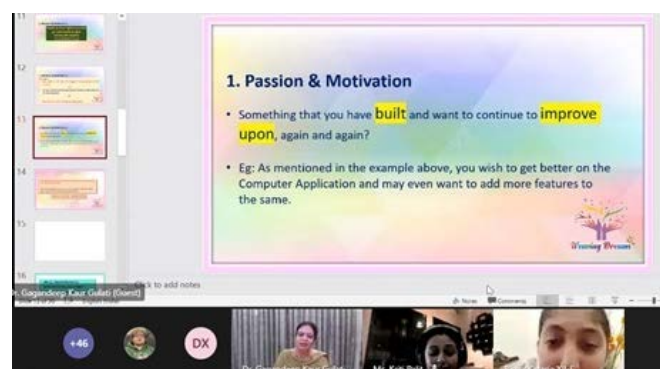

Conducted By : Dr. Gagandeep Kaur Gulati

Attended By : Classes XI- XII

A knowledgeable and riveting session on “Pathway for Development of Entrepreneurial Skills in Youth” was conducted by Dr. Gagandeep Kaur Gulati for classes XI and XII. Dr. Gagandeep Kaur Gulati is an academican, educationist, corporate trainer and eminent author. She organises Youth Talk Shows and Eduleaders’ Talk Shows to motivate students and corporate employees. She has been honoured by the World Book of Records, Australia. The session provided the students with an insight into the concept of entrepreneurship and focussed on the skills required to become a successful entrepreneur.

Young ITLeens - Muskan Malhotra (2015-16), Shivam Khurana and Divyanshi Jain (2020-21), Prateek Arsh, Sanat Tuli, who have started their own ventures or have their own channel and pages on social media also joined the session and motivated the students to be self - confident and come up with new ideas to set up their own ventures. Students also shared their experiences of “Skill Bazar”, how it gave them a hands on learning experience on Start-up ventures.

The take away of the session was the self - confidence instilled in the students to follow their passion and that whatever may come, they must realise their dreams with grit and determination. And follow the path of becoming budding young entrepreneurs.

Font Paragraph Drawing

3. Self-belief, Hard work & Disciplined Dedication

- **Entrepreneurs enjoy what they do.**
- Confident and dedicated to their project.
- Occasionally, they may show stubbornness in their intense focus on and faith in their idea.
- But the flip side is their demonstrated discipline and dedication.
