

REPORT ON NATURE PHOTOGRAPHY DAY

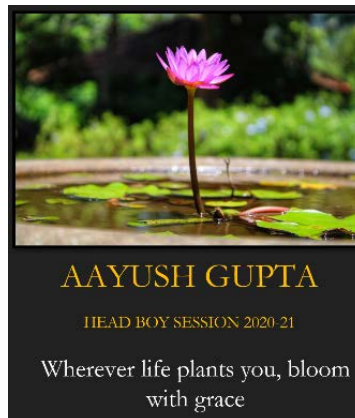

DATE: 15 JUNE 2021

“Keep the love of nature, for that, is the true way to understand art more and more”

-Vincent Van Gogh

The Nature Photography Day, celebrated on 15 June is to promote the enjoyment of nature photography and to explain how images are used to advance the cause of conservation and protect plants, wildlife and landscapes both locally and globally.

PIXELEENS- the photography club of ITL Public School celebrated the importance of the day by compiling a video presentation showcasing their passion for nature photography. The students and teachers expressed their fascination for nature photography and the idea that thousands of unsaid words can be expressed within a frame.
