

INTERNATIONAL CAREER COLLEGE AND COUNSELLING FAIR

Students of class XI and XII of **ITL Public school** got an opportunity to attend a **Live Virtual International Career and College Counselling Fair and Symposium** organized by **IC3** on 23 August 2021. Representatives from numerous distinguished universities across the globe came together on one platform to help students choose the best career path for themselves. Expert sessions were conducted on the importance of various subjects and the career prospects accessible thereafter. This helped students understand the fundamentals of the higher education at the global level.

The students were zealous to put forth their queries to the representatives from universities like **University of Waterloo (Canada)**, **Imperial College (London)** and **Drexel University (USA)** who answered all of them in a competent manner. Topics like **Practical Learning through Internships and Experiential Education** were discussed thoroughly. Every aspect of a university ranging from **admission criteria, courses offered and campus details** was elaborated upon. The students also got an opportunity to interact with their peers currently studying in these universities, who shared their personal experiences. Furthermore, the representatives provided links to their university websites and brochures to furnish the students with detailed information. This was followed up with a presentation which included information about various **courses, scholarship programmes, university infrastructure, culture** etc.

The event was organized with the aim to empower students and make them ready for the future. It succeeded in providing them with much needed information and helping them trace their higher education plans.
