

Career Counseling Workshop

Date : 20th August 2014
Venue : National Science Centre.
Organized By : Expression India (CBSE Empanelled Agency)
Attended By : 20 students of ITL Public School & Ms. Nandini

Twenty students of ITL School got an opportunity to attend a workshop on career counseling held on 20th of August 2014 at National Science Centre, which was organized by Expression India (An CBSE Empanelled Agency). Two prominent career counselors Ms. Geetanjali and Ms Pooja conducted the workshop.

The main focus of the workshop was to make the students aware about the factors that one should take care of, while choosing any career. It is very common to see that mostly the students face difficulty to choose their career because they come under the pressure of their peers, parents and neighbours. To make the students aware of their interest and aptitude while making their career choice, they were initially given a scope to discuss the problems faced by them while choosing their career in an open forum followed by discussion on all issues in detail by the resource persons.

Students also participated in different activities which helped them to understand how to become more aware about career options that are open before them and choose a career by keeping in mind their aptitude and interest in the fields.
