

CAREER COUNSELING SESSION

.....Celebrating Diverse Career Choices

NAME OF THE EVENT : Career Counseling Session
DATE : September 23, 2021
VENUE : ITL PUBLIC SCHOOL
ATTENDED BY : CLASS X
CONDUCTED BY : PEER EDUCATORS & PSYCHOLOGY DEPARTMENT

"Whatever you decide to do, make sure it makes you happy."

The Peer educators and the Psychology Department of ITL PUBLIC SCHOOL conducted a **Career Counseling Session**, a glorious interaction for the young ITLeens to interact with their peer leaders. The ITL fraternity was very delighted to have young minds filled with curiosity and inquisitiveness for clearing all doubts.

The session started with the introduction by the President of Career Counseling Club. It revolved around the fact how choosing an appropriate career for yourself can be challenging especially with the advent of the teenage period which is accompanied by a wavering mind, family pressure, and peer pressure.

The different career prospects after pursuing Science were also underlined, apart from the “traditional” Engineering and Medical streams. Career paths including **Radiology, Architecture, and Biochemistry** are also some of the finest career choices. Importance was stressed upon incorporating right life skills, stress management, coping skills, and resilience to stay calm and motivated in the toughest of situations.

The event was advanced by discussing various careers and job prospects of the Commerce stream. The various career prospects include **Chartered Accountancy, Entrepreneur, Economists, Company Secretary** to name a few out of many more.

The interactive session did not let anyone lose the edge of the seat. It was followed by an insight on career prospects of Humanities. The career prospects in law include **Corporate Lawyer, Judicial Services, Public Prosecutor, International Relations** etc. Career prospects in Psychology include **Clinical Psychology, Sports Psychology**. Career prospects also include **Fashion Designer, Interior Designer**, etc.

The session ended with an interactive discussion by taking all queries on different career prospects. The event was truly a milestone in free and open-minded student interaction and counseling. It gave them an insight into different career options which would definitely guide them to take an informed decision and assist them to reach their desired goal.
