

REPORT ON DUSSEHRA

DAY : **FRIDAY**
DATE : **15TH OCTOBER'2021**
PARTICIPANTS : **CANDYFLOSS TO XII**

ITL Public School celebrated Dussehra in a joyous spirit of the festivity. A plethora of spectacular performances based on the mythological events were presented by the ITLeens. The tiny tots paid tribute to Maryada Purushottam Rama and presented the story of the Ramayana in an elegant manner depicting the message that if we become careless and cross our line of maryada, then the vices like lust, anger, greed, ego, attachment would enter and take us to the world of sorrow.

The Navratri highlights the feminine nature of the Divine that was presented through a mesmerizing and power packed dance performance, representing the nine forms of Goddess Durga in a graceful manner. To further elucidate this point, a speech was presented to emphasize how every woman is an embodiment of Goddess Durga and the power she holds in various roles she plays. It also reiterated how a society can progress if the women are given equal representation. This thought resonates throughout the world in the form of United Nations SDG 5 that focuses on women empowerment. Vijayadashami is the day of victory, of good over evil which is celebrated all over the country in different ways. The students put up a beautiful jhanki through a poem depicting how the celebration of the festival takes distinct forms throughout the country.

The festival echoes the thought that each day brings a renewed vigour, a new hope, with itself. To conclude the event the same thought was presented in the form of an exquisite poem.
