*'Sacrifice is a characteristic of the brave'*

ITL Public School paid homage to the Indian Army on 15 January 2022, observed as the Indian Army Day, when British commander-in-chief handed over the reins of the Indian Army to Field Marshal K.M.Cariappa. The motto of the Indian Army- 'Service Before Self' encourages the young Indians to uphold dearly the values of selfless service and brotherhood. This day gives us yet another chance to glorify the Indian brave hearts whose military prowess has today made the Indian Army the world's fourth strongest army, a valuable honour as the nation celebrates its 75<sup>th</sup> *Azadi Ka Amrit Mahotsav*.

Teachers shared with students the heroic sacrifices of the martyrs, narrating to them jaw dropping stories from war fields. Paying their tributes to the Armed forces, the students of class X compiled an inspiring video, while students of class XI designed posters, thus availing through this event an opportunity to learn and create.
