The resource person Ms. Swati Bhardwaj updated the students about the TOEFL IBT Test that measures a student's ability to use and understand four English Language skills: Listening, Speaking, Reading and Writing so that he can be confident when he studies abroad and succeed academically and socially. TOEFL is the most widely accepted, preferred and respected choice that helps the student to have more choices where he can study, as the test scores are accepted by 9000 universities across more than 130 countries.
