“We are Indians, firstly and lastly”

-B. R. Ambedkar

The day of **January 26, 2022** was marked by the **73rd Republic Day** celebration at ITL Public School, where the students paid profound respects to the **Republic of India** and to all those who played a major role in the framing of the Constitution of the largest Democracy in the world and pledged to contribute towards the path of ***Nation First , Always First***

The commemoration started with the glorious moment of unfurling of the National Flag By the **Principal. Dr Sudha Acharya** accompanied with the National Anthem surging one and all with patriotic sentiments. The ethereal poem ‘**I want to Live**’ by the **Headboy, Prateek, Ted** talk by the **Headgirl Vani Jain**, provided food for thought to the audience and kindled a feeling of pride and belongingness in the young minds.

The Veer Gatha project that is being organized in the school and how it is creating awareness about the gallantry award winners amongst students and discussion of the foresightedness of the members of the constituent assembly that have set the path for sustainable goals deserve special mention. The **Dance recital** by the students on ***Ek Bharat , Shreshtha Bharat- Unifying India***, the presentation by the primary wing ***Our Unity Our Identity***, the song recital, ***Pyara Bharat, Hamara Bharat*** was a well-integrated showcase of spirit of genuine passion and love for the nation through performing arts.

Cdr. Arun Jyoti, with his knowledgeable deliberation appreciated the efforts of all who conducted the assembly and seemed confident that the future of this great nation is in secure hands.

The school **Principal, Dr. Sudha Acharya**, addressed the audience on this special occasion and through her elevating words congratulated the students and reiterated that their sole responsibility was to contribute towards nation building. The event culminated with a **Vote of thanks** also pledging for the holistic development of the self, through empowering of life-skills, envisaging the future needs of the nation and its people and resiliently aligning with the aspirations of New India.
