

Report on Martyrs' Day

‘Happiness is, when what you think, what you say and what you do are in harmony’.

ITL Public School observed Martyrs' Day or Shaheed Diwas on 30 January 2022. Mahatma Gandhi, has left a legacy of enriching ideals-peace, non-violence, simplicity, purity of means and humility. The best honour to the Father of the Nation, especially on the pious occasion of the **75th Azadi Ka Amrit Mahotsav**, can be given by incorporating in our lives the very doctrines that were embraced by him.

Ideologies of Bapu were so insightful that they resonate even in the India of today, in the form of Decentralization, Swacchta Abhiyan, Atma Nirbhar Bharat, Nai Talim blended so remarkably in National Education Policy and many more noble objectives which permeate effortlessly into the social, political, cultural and economic fabric of India. Students and teachers on this day delved deeper into the life, work and ideologies of Mahatma Gandhi, which was followed by creating presentations and posters on the tenets of the great man, renowned not only nationally, but internationally as well.
