

## ITL ORGANISES EXPEDITION 2014... THE CAREER FAIR

Expedition 2014... Global Admission Connect – a career counselling session was held in ITL on 8<sup>th</sup> August 2014. This was organised under the banner of CBSE Sahodaya Dwarka Chapter. **Expedition 2014** was a joint venture of ITL Public School and the Princeton Review – Manya Abroad. Mr. Rahul Dutt and Mr Salman from Princeton Review in their convincing presentations empowered the students with thorough knowledge of different career options in foreign universities. The students got substantial information regarding universities for undergraduate studies. Students were also enlightened about scholarship facilities, guided about the right time for going abroad and the essence of goal setting.

A career fair exhibited in the school skating rink, was inaugurated by the school Principal Ms. Sudha Acharya. The students also got the opportunity to meet the delegates from renowned and among the top 100 universities such as University of Bridgeport, Kent State University, The University of Kansas, Wheelock College, Northumbria University, UCF, Colorado State University and University of Cincinnati. The students got a potent platform to update their knowledge about the prospects of the target universities they are aiming at. It was an excellent opportunity to discuss with the experts from Princeton review about their career goals, about the tips for test preparation for admission to the foreign universities. The students and teachers of the reputed schools of Delhi were invited to be a part of this career fair.
