

Coding through Storytelling (*Bag-less Day-1*) May 11, 2022

	SDG covered	 SDG 4
1.	Title	Coding through Storytelling
2.	class	VI
3.	Subjects involved	English, Computer Applications
4.	Facilitator	Ms. Pratibha Singh
5.	Brief description of the learning objectives, content of the activity	<p><u>Learning Objectives-</u></p> <ul style="list-style-type: none"> ● Cognitive - Learners will be able to learn to express their creativity using coding and technology. ● Socio-emotional - Learners will be able to understand how storytelling builds empathy and acknowledge the impact of stories on contemporary culture. ● Behavioral - Learners will be able to use coding and storytelling in educational activities. <p>● <u>Brief description of the Workshop</u> In line with the provisions of the National Education Policy (NEP) 2020, ITL Public School introduced 10 Bagless Days on May 11, 2022 with the objective of achieving the most fundamental outcome of the education system i.e. Joyful learning. Students were rejuvenated, refreshed and developed an analytical mind set with problem-solving attitude through an interactive coding through storytelling session. Students explored their creative side and related it with coding. This 21st century skill drives their imagination and creative side to take wings. The session helped ITLeens to connect the real world with the digital world.</p> <p><u>Competencies acquired-</u></p> <ul style="list-style-type: none"> □ Research, analytical skill, innovation, craftsmanship, art, performance, training, applied storytelling, tradition, entrepreneurship
6.	Time period of the session	11th May 2022 1:00 pm -2:00 pm

7. Evidences included
