

Communication Strategies Workshop

Date : 6th August 2014
Venue : National Science Center, Pragati Maidan
Organised By : CBSE
Attended By : 26 students of Classes XI & XII along with teacher escort
Ms. Shikha Gautam

The workshop enhanced the students' knowledge on communication and highlighted its importance in life skills. Through this programme, the students were acquainted with communication and its various types. This session was made very interactive by dividing the children into various groups and organising various activities like role plays based on the types of communication. Also, the concept was made more clear to the students by showing various information yet entertaining short films.

The key feature of this programme was the mass participation and interest of the students. This workshop threw light on various unknown aspects of communication and helped the students to find ways to convey their message clearly.

This programme has surely enlightened many minds and we look forward for such fruitful workshops in the future.
