Advik Singhal of XA and Ritveek Kumar of XII B, ITL Public School showcased their innovative projects on the culmination day of ThinkStartup U18 Launchpad @ IIT Delhi on India's most exciting entrepreneurship program for High Schoolers.

This prestigious non-residential program at IIT Delhi is a 10 day camp from 30th May to 10th June 2022 with the aim to build entrepreneurship skills in students and giving them a glimpse into the journey of becoming an entrepreneur.

Prof. Rangan Banerjee, Director IIT Delhi graced the occasion and motivated the young entrepreneurs to believe in their ideas and keep expanding their horizon of knowledge.

Parents and mentor teachers were also present to witness this festival of innovation and entrepreneurship.

Ritweek's idea was to build a virtual assistant which will talk to people suffering from mental health and help them tackle it.

Advik's idea was 'SCHOOLEASY'- a school aggregator application where parents can apply to multiple schools at one time.

Ritveek's venture was selected in the top 10 venture by the audience and investors.
