

ITL Conducts Orientation Session for Class XI on: Working Effective Career Choice and Integrating the Key 21st Century Skills

Name of the Event: Orientation Session on Working Effective Career Choice and Integrating the Key 21st Century Skills

Date : July 4, 2022

Classes Attended : Class XI

Resource Person : Ms Ritu Sharma, Coordinator, Class XII

A very motivational orientation session was organized for the students of **Class XI on July 4, 2022**, the very first day of their Senior Secondary session by **Ms Ritu Sharma**, a Certified Career Counsellor and Coordinator, Class XII, ITL Public School.

Deliberations on topics of various relevant issues of concern for students of Class XI was highly educative and enriching.

The interactive session with students on topics like **Job vs Career, Cyber Security, Need of Acquiring Life Skills** was a great learning experience. The interaction adequately highlighted that inculcation, integration and implementation of 21st Century Skills is immensely needed to carve a niche to future prospects in life and also for bringing certainty to life. The case studies on famous change makers & notable personalities like Harland Sanders, Amish Tripathi & Tiger Woods acted as an inspiring self-introspective session. The TEDx videos instilled great faith and confidence in the young learners to uphold an optimistic attitude towards life. Students were motivated to inculcate a never quit attitude and to accept changes boldly and confidently. Great emphasis was laid on self-faith and conviction and to accept any change with open arms.

The session also threw light on varied career choices and how individuals can mould them to enhance their personality. The session motivated the students to move forward triumphantly in life upholding an optimistic attitude.
