“There are people in the world so hungry, that God cannot appear to them except in the form of bread.” - Mahatma Gandhi.

ITL Public School observes World Food Day on 16 October which marks to commemorate the date of the founding of the United Nations- Food and Agriculture Organization (FAO) in 1945. The theme for 2022 is "Leave no one behind". The day is celebrated widely by many other organizations concerned with hunger and food security, including the World Food Programme and the International Fund for Agricultural Development.

Let us all pledge to be FOOD HEROES by contributing towards tackling global hunger and striving to eradicate hunger across the world.

Students were sensitised towards this important day through a pep talk by the council body members through the PA system.

An e-magazine ‘Food Waste not in good taste’ prepared by the students of IX-X for building awareness towards avoiding food wastage was released on the occasion.
