Diwali is the festival of lights, of giving and sharing, of love and joy. It heralds the onset of winters and one can see everyone gearing up for the festival. We, believe in celebrating each festival with full fervor and excitement. ITL Public School sparkled with festive lights and colorful hues as the students celebrated their rich culture and heritage on the occasion of Deepawali. Dressed in ethnic wear, rightfully proud of their vibrant culture and traditions, ITLeens came together for a Special Assembly on this festival. Dance drama, musical rendition, TED talk, Nukkad natak, were some of the highlights of the same. Classroom activities were conducted for all grades wherein students made colorful Rangolis, decorated candles, made delicacies of Diwali, designed Bandhanwar and mathematical Lanterns, prepared delicacies, took out Rallies for spreading awareness, among others. Students also enjoyed the grand 'Diwali Fiesta' which had multiple stalls for Games and Goodies for children to enjoy. To add to the festive vibes, they danced to some foot tapping festive songs.
