Students delved into their artistic side and unearthed the belle of collaboration and partnership. This not only amplified their culinary skills but also echoed learning of basic mathematical concepts like ratio and proportion. The event aided in breaking the barrier between vocation and education while inculcating logical reasoning &amp; creative thinking skills, metamorphosing ITLeens into stimulants for a sustainable future.</p> <p>#TransformativeEducation</p> <p>#BaglessDays</p> <p>#HappySchool</p> <p>#BeYourOwnChef</p> <p>#DareToDream</p> <p><b><u>Competencies acquired-</u></b></p> <ul style="list-style-type: none"> <li>➤ Research, craftsmanship, art, performance, training, tradition, entrepreneurship</li> </ul>
