"Opportunities don't happen, you create them."—Chris Grosser.

ITL PUBLIC SCHOOL organised an enriching Alumni Talk for classes X and XI on Career Guidance and the Career Options available in various fields.

Charting & navigating through their career paths ranging from diverse streams like Aerospace Engineering, Culinary Arts, Journalism, MBBS, Theatre & Acting, Law, Sports, Social Media Research, Flying, UPSC preparation, these flourishing young minds surely did a great service to their ALMA MATER as they shine in their respective fields.

All the sessions taken by the ace Alumni dealt extensively with the nuances of a particular profession, how to apply for it, criteria for getting into the desired career, the pros & cons of being in that profession.

The underlying message of these X-ITLeens was to follow their heart & passion to pursue a career & give their best among the millennials' competitive world. As we say "Rome was not built in a day", everything takes time to develop and flourish. The take home of the session was to stay focused & consistent to fulfill their dreams by overcoming the hurdles & failures with zeal & enthusiasm.

Questionnaire segment in the end was a perfect icing on the cake as the budding professionals answered the queries put up by the curious audience. The session also threw light on varied career choices and how individuals can mould them to enhance their personality. The session motivated the students to move forward triumphantly in life upholding diligence and an optimistic attitude.
