

Mathematics Day

To acquire knowledge, one must study; but to acquire wisdom, one must observe."

International Mathematics Day was celebrated on 22nd December 2022 at ITL Public School, to mark the birth anniversary of legendary Indian mathematician Srinivasa Ramanujan.

The esteemed chief guest, Dr. Kumari Priyanka, professor in department of Mathematics, University of Delhi, inaugurated the event- Mathematics Exhibition- INNOVITA.

Students of classes V to XII took part and each class illustrated and explained the models made by them on various topics. It was clear that students enthusiastically researched and keenly took part in the Exhibition, the work presented by them in the form of models was watched over and brought in under the guidance of their teachers.

Gratitude was observed when the participants spoke and elucidated their prototypes in detail.

It was indeed an exhibition that offered them exposure and the spirit to illustrate their opinions and intellect.
