

Road Safety Presentation

Date	:	29 Apr'14
Venue	:	Auditorium
Conducted By	:	Hero Motor Corp & Delhi Traffic Police
Organized By	:	ITL Public School
Attended By	:	Students of classes 11 & 12

In continuation with the ISA's initiative on Road Safety, in league with the British Council, ITL Public School once again took up a project that sensitized the students to develop an understanding of various aspects of road safety and its implementation through their power point presentations along with that of the Delhi Traffic Police's and personnel from HeroMotoCorp.

Going by the maxim "prepare and prevent and not repair and repent", the students felt obligatory to acquaint themselves to road ethics and expressed their thought processes, their comprehension of the situations on road, their apprehensions and likely situations through an impactful presentation.

PowerPoint Presentations by the Delhi traffic police Personnel depicted the callous attitude of road users and inputs from the resource person from Hero Moto Corp emphasized and sensitized the students to attain a greater understanding, awareness and practice of safe behavior and skills bringing home the message that one needs to adopt a more courteous and considerate behavior demonstrating care for the safety of others on road.
