

The students of **ITL Public School** attended a career fair which was held by Maxfort, Dwarka on the 5<sup>th</sup> of December.

The programme commenced with the auspicious lighting of lamp followed by an inspirational song.

Subsequently the school Director Ms. Deepa Kumar inaugurated the event and welcomed the Chief Guest of Honour (Dr). Raj Singh, Vice-Chancellor, G D Goenka University and other dignitaries present.

Ms. Deepa Kumar talked about the importance of understanding the self and then making judicious choice of the career pathway.

Renowned psychologist and Director-General of ICTRC Dr. V.S. Ravindran accentuated the significance of attitude and aptitude for choosing a career.

Prof.(Dr.) Raj Singh. Vice-Chancellor, G.D. Goenka University conversed about Innovation in Technology and emerging careers.

Numerous eminent guest speakers from various professional fields were invited to make the young learners sentient about vocational choices.

Students from other premium schools were also invited to participate in the programme. In order to facilitate them to face the challenges of the ever expanding and competitive world, they were given the opportunity to interact with the experts from various fields in which the students from **ITL PUBLIC SCHOOL** enthusiastically participated, and learned various new

**concepts such as the bona fide meaning of aptitude, or the concept of out of the box thinking.**

**There were various stalls which guided us through their university's admission procedure and also gave us a prospectus.**

**The programme aimed at providing assistance to the students to explore career possibilities and make up career decisions, and hence giving us a clearer idea and this made our students understand it further more.**

**During the workshop, we discovered and learned:-**

- **the careers that best suit our interests, values and personality;**
- **Assessed our career options and identify their transferrable skills;**
- **Created a vision statement and plan for the future;**
- **Defined our career goals and developed strategies to achieve them;**
- **Learnt motivational techniques to help us achieve our goals; and**
- **Inspired the students of our school to take action.**

**It was altogether a very fun, yet also a very informative experience and the ITLEENS surely benefited from it.**
